1	2	3	4	5	6	7	8	9	10	
	1				6	1	2	4	4	

Why?
Enjoyed it a little bit but you can't always spell the right things
because as the game went along i got to know how to use it
it was easy to understand and taught you about different laws and bills
the games were very difficult to play online
the same games kept coming up
after a while you get the hang of it so it is easy
one of the minigames was a bit difficult so i had to abandon it
i kept playing it over and over again
they (the games) were simple and you knew what to do
the instructions were very clear. It was hard at first but you easily get into the game and understand how to play it
some of them were easy and some were hard
i couldn't do the zxc game because it was hard
it was quite good
it was very very easy (best game ever made!)
more maths games
sometimes it was a little tough but most of the time it was easy and fun
as the bills passed the games got harder
there was a mixture of easy and hard and there was a scale which said easy and hard
